

Year 11 Food & Technology. Holiday Homework 2016/17

Name:

- **Familiarise yourself with the text book.** Note that every Chapter has a Key Terms section at the front of each chapter and also an Understanding the Text section, along with various activities. Production activities are at the end of the text book and most of the recipes we cook will come from the text book. You must have your own copy which must be bought to every class.

Study Tip: Tick the box when you have completed each of these tasks.

Completed

- **Read Food Solutions Chapter 1
The Origins of Food**

Completed

Use the photocopy of chapter one given to you on orientation

- In your folder prepare a **Glossary Section for the Key Terms** listed on the 1st page of each Chapter, there will also be other words other than what is in your textbook. Use the table of the Key Terms supplied to explain each term for Chapter 1 & 2. These terms will be included in the 1st SAC. It will be checked during first class in 2017. You are expected to complete this Glossary Section when work is commenced on a new Chapter during the Unit.

Completed

- **Using your text book** - Food Solutions Unit 1&2, complete the Understanding the Text questions (Handout). The questions must be completed on the supplied sheets with your name clearly visible ready to be handed in during the first class in 2017.

Completed

- Complete the summary mind map using food solutions pages 3-15. Use the attached sheet and hand in also during the first class in 2017.

Completed
