

Year 11 Math Methods

2018

Holiday Homework

- You need two exercise books – 128 pages or larger
 - Your modules must not be lecture pads or perforated pages
(modules with staples are the best)
 - One will be used for notes and summaries, the other for exercises and homework
- You must have a TI-nspire CAS calculator for this subject.
- Homework will be checked for completion first day back.
- Homework sheets need to be filled out and ticked off as you complete them
- Methods is a subject that requires a major commitment of time and effort
- Most work for this subject is to be done in your own time
- If you miss a class it is your responsibility to catch up on missed work
- This may require attendance at after school catch up classes
- You will be assessed on the holiday homework for Chapter 1 and 2 the first week back.

You will need to copy the pdf files that are on
Compass/P Drive for chapter 1 and 2
