

VCE Italian Year 12 – Holiday Homework

In order to complete the Italian homework you need first to have the recommended dictionary and then to print out the listening activity booklet given to you in PDF.

- Unit 1 to 6 (Section A & B 1to 3. 4 to 6 section A only) from “Pronto Chi ascolta”. Do as much as you can. At the end of each exercise check the solutions at the back and write your score underneath the exercise. Show completion 1st lesson back.
- All the questions of General Conversation must be answered and filled in as per instructions given. On the first week back I'll test you on General conversation with a 7 minutes oral. If I see that you did not practice your oral skills, I'll consider your homework not completed.
- Watch the Movie “Pinocchio”. Subtitles – Subtitles track - Italian
- Read “Pinocchio”, which will prepare you for your Detailed Study. Write a list of rebellious behaviours that Pinocchio shows in the story

If you won't show me evidence of completion of your work by the established dates I'll consider your homework not completed. Also, you need to have your folder subdivided in the recommended categories.

If you'll do your holiday homework gradually, you will enjoy them. For any assistance feel free to email me anytime. I'll check it on daily basis.

Buone vacanze e divertitevi finchè siete giovani!
