Data Collection

Nationally Consistent Collection of Data on School Students with Disability, ‘Collection Notice’

All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability this year.

The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All education agencies are now required under the Australian Education Regulation 2013 to provide information on a student’s level of education, disability and level of adjustment to the Australian Government Department of Education and Training.* Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student’s identity will be provided to the Australian Government Department of Education and Training.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Lynne Gutterson on 99330500 or the Victorian Department of Education and Training Data Collection Hotline on (03) 9651 3621. For questions after 7 August 2015, please call the Australian Government Department of Education and Training on 1300 566 046.

Schools Golf Competition

Congratulations to Trent Matuato Year 9 for representing Gladstone Park at the 9 hole schools competition on Monday 25th at Rosanna Golf course. Trent came 7th overall and we look forward to seeing his name in more competitions.

Well done.
Macbeth Performance

*Double, double toil and trouble
Fire burn and cauldron bubble!*
*(Macbeth, IV.i. 10-11)*

On Thursday, April 30th, Gladstone Park’s Year 10 students and Year 9 SEAL students attended a riveting performance of William Shakespeare’s *Macbeth*.

The Page to Stage Theatre Company arrived to put on their play in our very own Performing Arts Centre. Eight lucky Year 10s were chosen by their teachers to be a part of the day’s performance. Timothy Harris, Zane Hills, Phoebe Kelso, Amber Pace, Darcie O’Connell, Madison Sexton, and Daniel Barresi made us all proud with their excellent acting and command of Shakespearean English.

Though most appreciated *Macbeth* as we read it in class this term, seeing *Macbeth* the way Shakespeare intended it to be seen added life and interest to our study of the famous play.

Many thanks go to our student performers, the talented Page to Stage Theatre Company, and the enthusiastic audience.
Year 8 ART Excursion to the National Gallery of Victoria

As part of the student’s studies in Australian and Indigenous art, year 8 art students visit the NGV with an education officer and Hosier Lane to observe street art. Students also participate in a drawing task along the Yarra River to complete the day of activities.

On Friday the 15th of May, 8A, 8B, 8C, 8D, 8E and 8F went on an excursion to the National Gallery of Victoria, which is located in Federation Square. We left school at about 10 past 9 and took a thirty-minute bus ride to Federation Square. When we got off the bus we placed our bags in lockers, as we couldn’t take them on the tour of the gallery. We were then split up into our class groups and taken on a tour of the gallery. The artwork was amazing. Then we stopped and had our snack. After snack, we went down Hosier Lane which is a small street where the walls are full of amazing graffiti art. It was magnificent. After that we stopped to have some lunch. The teachers let us go down to the fast food stores to get our lunch. We spent an hour eating our lunch and hanging around at Federation Square. After lunch, we went down to the Yarra River to complete a drawing activity where we had to draw the river and its surroundings as a landscape picture. After that it was time to leave Federation Square. When we got back to school, the teachers called the roll and we were dismissed. Overall, the day was amazing. I got to see many things that I had never seen before and it was great.

VET Business Students

On Wednesday 3rd June, the grade 3 students from Gladstone Park Primary school came to E11 to be clients for the Unit 3 and 4 Vet Business students. Students had to deliver a service to the primary school students as well as develop a rapport, listen to their needs and interact on a professional level.

Students created a PowerPoint on something that the primary students liked e.g. favourite sport, favourite band etc.

The morning was a complete success and the Vet Business students passed with flying colours.

Thank you to the primary school for visiting us.
Diversity Week 25th - 29th May

Last week the school was a hive of activity at lunchtimes, with a variety of events taking place to celebrate the diverse cultural mix we have at Gladstone Park.

The week began with Gladstone Park’s version of the Amazing Race, which saw teams of junior students race frenetically around the yard taking on a variety of challenges. Students’ knowledge of the world and physical prowess was put to test as they had to match flags to countries, correctly identify national dress, chase down a series of famous landmarks, and pass some coordination intensive roadblocks.

No celebration of diversity would be complete without acknowledging the incredible array of foods that different cultures can offer us. So as a special treat for students, a Spanish Food van was hired on Tuesday lunchtime and students were able to try out Churros with chocolate dipping sauce.

Also on Tuesday, students were treated to a martial arts demonstration on the main stage. Halls Australian championship winning demonstration team showcased their discipline and athleticism in an impressively acrobatic performance. Students were most impressed with one performers’ ability to backflip and kick a board held directly above his head.

Year 7 students were involved in a competition to produce a class display celebrating diversity and multiculturalism. The prize on offer – a workshop of African drumming ensured that competition amongst classes (and teachers) was intense. 7B narrowly took out the main prize, spent a very noisy period learning to play the Djembe (African drum), and then showed off their newfound skills on the main stage at lunchtime.

The main stage was also put to good use during two lunchtime performances on Wednesday and Thursday that featured a range of very talented student musicians and dancers. A diverse cultural mix was clearly evident with performances ranging from Samoan Dancing and K pop, to A Capella, and Rock. The year ten dance classes’ performance of the history of dance was an undoubted highlight.

Overall diversity week gave students the opportunity to show off their skills, learn some new things, and deepen their understanding of belonging to a diverse and vibrant community. Many thanks to all the students and staff involved – it was a fantastic combined effort that produced a memorable week.

Year 10 Instant Restaurant

On Monday 25th Of May the year 10 class led by Mr Callegari created an instant restaurant. It was the first of its kind at Gladstone Park and the Year 10 class did an absolutely amazing job feeding 25 staff members in the course of 50 minutes.

“Absolutely delicious meal for lunch, courtesy of our Year 10 class’ pop-up restaurant. Well done to Mr Callegari and his wonderful students! It was superb (Nom Nom Nom Nom...)” Lynne Gutterson College Principal

“I’d eat here again. Can I get a regular booking?” Sandra Woodlock – English Teacher

“A beautiful lunch made by some of our year 10 Food students. A big congratulations on their successful pop-up restaurant. Well Done!” Wendy Van Dyk - Administration

“Well done Mr Callegari and your students. I had a lovely meal and service was great” Silvio Federico - Yr 11 Coordinator

“It was fabulous! And so lovely to see what the kids can do. Thankyou!” Joanne Ghiocas – Brass Teacher

“It was an awesome lunch. They did a fantastic job...PS I’m totally happy for this to happen once a month...” Emily Wilkinson – Singing Teacher

“Mr Monterio and I agreed that this should be a weekly occasion” Ms Langton Yr 10 Coordinator

“Good work!!! It was a lovely lunch & your kids did well” Judith Minahan - Food Technology

“I don’t even eat my in-laws food...but dam that was a great PAV!!!” Andrew Arney – Senior School Program Manager

---

Main
Chicken filled dumpling
Served with a side of mash and a rocket, roast pumpkin, walnut and feta salad

Dessert
Layered pavlova served with seasoned fruit and cream

Australian Air Force Cadets

The Australian Air Force Cadets (AAFC) is a non-profit, youth oriented organisation for boys and girls from the ages of 13 to 18 years of age and is sponsored by the Australian Defence Force and the Royal Australian Air Force.

How much does it cost?
Squadrons charge a yearly fee to cover administrative costs and insurances. All uniforms are covered in this charge and all new cadets will receive one free Commonwealth Funded flight.

What are the activities AAFC Cadets undertake?
- Weekly parades where cadets have a set syllabus with subjects such as Service Knowledge, Aviation, Fieldcraft, Survival and Drill
- Marches and Services such as ANZAC Day, Remembrance Day and RAAF Association
- Weekend field exercises, concentrating on bush survival, ground navigation and leadership training
- Flying training. Cadets can learn to fly at a reduced rate they can chose powered flying or gliding
- Firearms Safety Training
- Engineering (basic aero skills)
- Aero modelling (radio controlled aircraft)
- Air Traffic Control Courses
- First Aid Courses
- Exchanges to overseas countries with other cadet organisations.

Does it take up much time?
Parades are one night a week during the school term (not holidays). There are elective weekend activities, camps and courses during the school holidays. Your Local Australian Air Force Cadet Squadron is Broadmeadows.

Please join us for our Information Night:

Office Hours

Monday—Thursday
8:15am to 4:15pm

Friday
8:15am to 4:00pm

Last day of each Term the office will close at 2:30pm

The office is CLOSED during all school holiday periods

Please immediately notify the College of any changes to your address or contact details.

-Thank You-

ATTENTION YEAR 11 & YEAR 12 PARENTS

Parents are reminded that where a Year 11 or Year 12 student is absent from school due to a family holiday, this will be considered an unapproved absence.

VCE and VCAL have attendance requirements which must be met in order for a student to pass.

STUDENT ACCIDENT INSURANCE

Parents are reminded that the school does not provide personal accident insurance for students. Parents/guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs.

Reasonably low cost accident insurance policies are available from commercial insurers should you require one.
